YOUTH FORUM  
“With all and for the good of all”

As part of the scientific program of the **V International Conference FOR THE WORLD BALANCE**, to be held in Havana from January 24 to 28, 2023, organized by the José Martí Project for World Solidarity, delegates to this event will also be able to participate in the Youth Forum “With all and for the good of all”.

This space within the V International Conference is convened by the Union of Young Communists of Cuba (UJC) together with the Jose Marti Youth Movement (MJM), the University Student Federation (FEU), the Latin American and Caribbean Continental Student Organization (OCLAE) and the International Network of José Martí Chairs.

This edition of the forum will be dedicated to the role of young people in confronting COVID-19 and the participation of youth in the search for solutions to the current multidimensional crisis.

This already habitual space of the International Conference summons young people between 18 to 40 years of age from all over the world to the Cuban capital, to participate in this international forum of thought, plural and multidisciplinary, to debate on the main problems that threaten humanity and the planet, and reflect on the most inclusive and sustainable proposals to face contemporary challenges and the role of youth in facing them.

Bearing this in mind, the debate will be held according to the following topics:

1. Youth in the construction of social justice and inclusive democracy.
2. The role of young people on the study and dissemination of national identity and history. Research and proposals.
3. Education as a human right.
4. Link between Nature, society and economy for a balanced world.
5. Thinking and acting for diverse, sustainable and equitable societies.
6. The role of ethics as a strength in youth movements.
7. Cultural consumption: advantages, dangers and challenges.

8. "It's time for a recount and a united march", central theme of the Second International Meeting of Young Jose Marti researchers, a special space within the Youth Forum dedicated to Jose Marti, a great universal and humanist thinker and National Hero of Cuba.

All those attending this Youth Forum will be considered delegates to the V International Conference FOR THE WORLD BALANCE and will have the right to participate in all the spaces provided in the Scientific Program of this world meeting, as well as in the collateral cultural activities.

In general, the rules of participation are included in the attached V International Conference Call, among which are the attendance modalities: delegate without a presentation and delegate with a presentation, both with a diploma.

The delegate with presentation may present: \* Papers \* Articles \* Essays \* Poetry \* Theater \*Dance \* Posters and banners \* Visual arts \* Electronic and multimedia presentations \* Others
